Primary location:	1001 Fleet Street, 8th Floor Baltimore, MD 21202
Contact information (phone / email / website):	Angela Belt 410-843-2672 (school/district personnel only) 866-619-3382 (toll-free parent hotline)  state@educate-online.com www.educate-online.com
LEAs where service will be provided:	Students receive live, individualized instruction in the safety and convenience of their own homes. Students access the program via the Internet through a personal computer provided free of charge by Educate Online. Educate Online services may also be provided at the student's school if the appropriate facilities (e.g. computer lab) are available.
Years provider has delivered service:	15 years
Evidence that services have been effective:	On average, students participating in 36 hours of Educate Online instruction consistently achieve an average grade level gain of 1.2 years in reading.
Title of the instructional program, curriculum series to be used (if appropriate):	Educate Online's proprietary research based program uses individualized instruction and mastery learning techniques to improve students' reading skills.
Grade level(s) the provider will serve:	5 to 8
Content area(s) provider will serve:	Students will receive instruction in either reading.
Number of sessions provided per week, if applicable:	Parents choose their child's schedule which generally includes 2-4, 60-minute sessions per week.
Average length of each service session (minutes/hours):	Each instructional session is 60 minutes in length.
Duration of the available service period (e.g. September 1 – June 30; September 1 – August 31; weekends only; summer school only; specific number of weeks or hours, other, etc.):	Educate Online's services are available throughout the year during various time slots: weekday afternoons and evenings Saturdays and Sundays.  Each student and her/his family arranges for instructional session times based on their own scheduling needs and preferences.
Type of instruction:	Online, individualized, direct instruction
Description of methods and strategies for serving eligible students with disabilities:	Educate Online has successfully delivered Supplemental Education Services to a wide range of student populations, including low-income, minority, limited English proficiency and special education students. Educate Online provides services to students with limited English proficiency and disabilities to the extent possible within our standard instructional approach.
Description of methods and strategies for serving eligible students with limited English proficiency:	
Qualifications of the service provider(s)/instructor(s):	All Educate Online instructors are certified teachers in their state of residence, have at least two years of teaching experience, and complete comprehensive training prior to program implementation.
Reports to parents, teachers, and LEA (Content, frequency, method of delivery):	Parents can access their child's online progress reports at any time during the program. Schools/Districts receive a Beginning of Program report and an End of Program report.
Will transportation to the service location be provided at no charge if requested? (Note: LEAs are not required to provide or pay for transportation)	Because Educate Online is primarily delivered online to each student in the safety and convenience of her/his home, transportation is not required.
Additional relevant information:	Students access the program using computer equipment provided by Educate Online. Students earn the right to keep their computer by completing the full program (as determined by LEA/provider agreements).

Name of SES Provider	<b>ATS Educational Consulting Services – Project Success</b>
Primary location:	20674 Hall Rd. Clinton Township, MI 48038
Contact information (phone / email / website):	Renee Weaver-Wright (586) 465-9474 info@atsprojectsuccessworks.com http://www.atsprojectsuccessworks.com/
Years provider has delivered service:	Since June, 2003
Evidence that services have been effective:	After completing our program, 91% of students in English maintained or improved their letter grades.
Title of the instructional program, curriculum series to be used (if appropriate):	Pearson Digital Learning’s “SuccessMaker”
Grade level(s) the provider will serve:	5 to 8
Content area(s) provider will serve:	Reading
Number of sessions provided per week, if applicable:	Two one-hour sessions per week
Average length of each service session (minutes/hours):	60 minutes
Duration of the available service period (e.g. September 1 – June 30; September 1 – August 31; weekends only; summer school only; specific number of weeks or hours, other, etc.):	Instruction delivery is flexible according to family schedule.
Type of instruction:	Online web-based instruction
Description of methods and strategies for serving eligible students with disabilities:	The SuccessMaker curriculum can be customized to meet the special needs of students, including an auditory component.
Description of methods and strategies for serving eligible students with limited English proficiency:	Because Project Success is offered via computer, individual differences are readily met. The program allows students to work from their own personal level and progress upward. Project Success is available in Spanish and ATS employs five Spanish translators.
Qualifications of the service provider(s)/instructor(s):	New York Elementary Certified/NCLB qualified
Reports to parents, teachers, and LEA (Content, frequency, method of delivery):	Parents receive weekly phone calls and monthly progress reports that contain data about the student’s progress and any areas of difficulty he/she has encountered. Schools receive an e-mailed weekly report and a monthly written report that contain more specific data as to the student’s progress.
Will transportation to the service location be provided at no charge if requested? (Note: LEAs are not required to provide or pay for transportation)	Transportation is not necessary, as we are an online provider.
Additional relevant information:	ATS Project Success offers students in 5-8 tutorial services in reading in the comfort and safety of their homes on computers provided by ATS. All that is needed is a phone line, and after only 30 hours, students gain one complete instructional level.
